

## **RESIGNATION OF HIGH SCHOOL PRINCIPAL MIKE FLYNN**

It was with regret that the Chenango Forks Board of Education accepted the resignation of Mr. Michael Flynn, Chenango Forks High School Principal, at the June 10, 2010 meeting. At that time the BOE appointed Mr. John Hillis as High School Principal. Mr. Hillis has begun the search for an Assistant High School Principal and will hopefully be providing me with a recommendation in the near future.

I write this to you with great sadness, but after many discussions with Mike, I have come to understand and respect his decision, realizing that it is what's best for him and his family.
