

Let's check in... how is your child's attendance?

Are absences staying low?

### What is happening at CFE?

#### Coffee in the Lobby!

- Every Monday morning in the months of January and February, we will have coffee and a snack in the lobby to show our appreciation to the families who trudge through the cold to get their child to school! We thank you!

#### Grand opening of the Family Resource Welcome Center!

- Room 212 at CFE
- What do you need? Is your car in the shop? Does your family need food? Is your heat working? Need help finding a job? Housing? Everything that you need is at the Family Resource Welcome Center! Contact Stephanie Davy today!

#### School-Based Counseling with Family & Children's Society!

- Finding a counselor for your child can be a challenge. Look no further! We at CFE are fortunate enough to have a private counselor from Family & Children's Society within our school building on Mondays and Tuesdays! No more worrying about driving your child to appointments and having them miss school. Better yet, you don't have to miss work! If you are seeking counseling for your child, please contact the main office, your child's teacher or Stephanie Davy to get a referral form!

#### Success at Recess (January)

- Binghamton University students will be running team building activities during recess. Through 'team builder' activities, our kiddos get the opportunity to grow in their leadership, problem-solving and social skills. We are so excited!

**Does your child have a winter coat that is warm enough to keep your child toasty on these cold winter days?**

**If not, reach out to Stephanie Davy!**

**As always... here are attendance TIPS!**

- 1) Keep a sticker chart/calendar at home (keep it in a visible location like the refrigerator).**

*Each day your child goes to school, give them a sticker! If your child goes to school at least 20 days in a row, treat them with something special! Let them choose the dinner option or pick a movie to watch with the family.*

- 2) Try to schedule doctor's appointments for after school or when school is closed due to holidays or conference days** (*the school calendar is on the back of this newsletter!*)

- 3) Encourage lots of hand washing!** *Everyone gets sick and in schools, it spreads like wildfire. Make sure to encourage your child to consistently wash their hands after going to the bathroom, before meals and whenever they are soiled.*

This newsletter is brought to you by Stephanie Davy, LMSW
