

Family Resource Center is OPEN! Room 212 at CFE.

January plans:

- Coffee in the Lobby for parents/guardians during drop off
- Success at Recess: team building with Binghamton University students during recess (end of January)
- Attendance Task-Force! Help us brainstorm ways to support strong attendance at the Pre-K and Kindergarten grade levels! Incentives: free food, child care and raffles at each meeting! Can't beat that!

What are your child's attendance goals for after the break?
Talk to them about the importance of coming to school. Set goals such as, "I will miss less than 2 days of school from now until the end of the year! I can do this!" 😊

Winter Break!

Even though school is not in session until January 6th, you can still contact me through email and Facebook! I am in the process of getting a work cell phone so stay tuned!

YOUR INPUT MATTERS!

Make sure to see the school's website for the community school initiative 2-minute survey that asks about YOUR interests on various topics, events and workshops that we can bring to the district (survey also available on my Facebook page). If you do not have access to the internet, I will gladly get you a printed copy! Please let your child's teacher or me know!

Two ways to find the survey...

Direct link to survey:

<https://www.surveymonkey.com/r/BWSG3Q7>

CF Homepage → [Announcements](#) (bottom of screen)

survey responses are confidential

- As always...
here are attendance TIPS!
- 1) **Stay Warm....**
Playing outside is fun but when a child isn't warm enough or playing for a long time outside and becomes sweaty... they may get sick! If your child's coat isn't warm enough or they need winter boots, reach out to me! I can help 😊 Also, keep tabs on your child, if you think they need a break, have them come inside!
 - 2) **The two-week break is a great time to schedule doctor's appointments!**
Since school is not in session, get those appointments in now (if you can!). School calendar on the back.
 - 3) **Encourage lots of hand washing and bring hand sanitizer with you!**
Even though children won't be in school, there is still lots of opportunity for germ exposure! Wash those hands! If you or your child are not near a sink with antibacterial soap, grab some hand sanitizer!
