Dear Current Chenango Forks Employees and Retirees,

The current Town Hall meetings that have been setup for Ed Vaughn a representative for ENV to present the proposed retiree health care changes to the retirees and current employees of CF will now be held over Zoom and not in person due to COVID 19. The Town Hall meetings will have the same dates and times, March 31st, April 2nd and April 8th; 12:00pm, 2:00pm, and 6:00pm each day respectfully.

By using Zoom, ENV is able to reach out to all retirees and current CF employees in a format that does not requiring gathering people together. By utilizing Zoom people can view the presentation or simply call in to the meeting by using their phone and listen to the presentation. We will have a meeting ID that will allow you to participate. Zoom does allow for questions to be asked whether you are using the video or the phone option. An RSVP is not required to attend any of the nine scheduled Town Hall meetings.

ENV will refer to the comparison worksheet that was mailed to all retirees and sent via email to current employees. If you need another copy of the worksheet it will be posted on the front page of the district web site. The link & meeting ID or phone number you need to access each Town Hall meeting will be posted there as well.

If you have any questions about the directions for using Zoom, please feel free to contact my office prior to the dates and times of each meeting,

Lloyd L. Peck, Ed.D.
