A Nation of Islands, Peninsulas, & Water

DIRECTIONS: Greece is a nation of islands, peninsulas, and water. Use your textbook and the map below to complete the activities that follow.

1. Label the Aegean Sea, which separates Greece from Turkey.
2. Find and label Crete, Greece’s largest island.
3. Euboea, Greece’s second-largest island, is located along the western side of the Aegean Sea. Label it.
4. Find and label Greece’s largest peninsula, the Peloponnesus.
5. Circle the three peninsulas located in the northwest part of the Aegean Sea.
6. Place a dot at the location of Knossos and label it.
7. Place a second dot at the location of Mycenae and label it.

Use after reading Chapter 7, Lesson 1, pages 229-233.
