March 5, 2021

Dear Parent/Guardian and Health Care Provider:

This letter is to inform you of an important change in Education Law effective **7/1/2021**.

Beginning 7/1/21 all New York State public school students must have their health exam, when entering school as a new entrant, in Pre-K or Kindergarten, and grades 1, 3, 5, 7, 9, and 11 completed on the attached **NYSED Student Health Examination Form for School**.

***Any health exams that are not on the approved NYSED Student Health Examination Form, will no longer be accepted. ***

Due to the pandemic, we understand that many health exams were postponed. We encourage you to touch base with your health care provider as soon as possible to set up an appointment for your student's health exam following the requirements listed above.

The Approved NYSED Student Health Examination Form for Schools can also be found on the CF District website and is also available in all the health offices in each building. A dental certificate which states your child has been seen by a dentist or dental hygienist is also asked for at the same time.

If your child has an appointment for an exam during the school year that is after the first 30 days of school for the 2021-22 school year, please notify the health office of the date. If we have not heard from you, or a copy has not been received within 30 days of the start of school, we will schedule a health exam with the school medical director.

We appreciate your time in collaborating with us to provide your child, and our student, with the required documentation as required by law.

If your child is in one of the above required grades now, and you have not submitted a private physical for this year, please use this form to do so. If we do not receive a private physical from you for this year, we will schedule them for a school physical with our school doctor soon.

Sincerely,

Kim Walworth, RN
Chenango Forks Elementary
PK-2nd grade nurse
648-7522 (option 1)

Diane Croswell, RN
Chenango Forks Elementary
3rd - 5th grade nurse
