Amy O'Brien: High motion passed 4.3 upon recommendation of the superintendent motion to appoint the following as high school club advisors stipend per CFTA contract may have motion, please.

45

00:05:50.640 --> 00:05:52.410

Amy O'Brien: Motion. Thank you, scripts.

46

00:05:54.510 --> 00:05:54.930

Amy O'Brien: Second,

47

00:05:56.340 --> 00:05:56.940

Mike Vavra: Second,

48

00:05:57.570 --> 00:05:58.920

Amy O'Brien: Thank you, Mike discussion.

49

00:06:00.300 --> 00:06:01.530

spyros: I'm going to cut those links.

50

00:06:03.120 --> 00:06:14.760

spyros: First, I don't think we still have numbers on this second. I don't understand how we could appoint co advisors to be named later. I don't think that line should be in there because

51

00:06:15.660 --> 00:06:24.090

spyros: We would have to go back and if you can't appoint somebody ahead of time without having a name that's lines. It should just be you're pointing

52

00:06:24.660 --> 00:06:33.420

spyros: For example, it says your book, Mandy black and if possible co advisor, he would have to go back later and do a co advisor. You can't just name one and have that work without for to action.

53

00:06:34.230 --> 00:06:43.260

spyros: And third, I just don't know if we really want to appoint all these things because of coffee. So those are my three things. Okay.

54

00:06:44.250 --> 00:06:45.840

Lynn Lockwood: Sure we table this to discuss

55

00:06:47.010 --> 00:06:48.240

spyros: What we could discuss it bell

56

00:06:51.360 --> 00:06:58.110

spyros: I mean, I just don't. I mean, we got. I got an email. I assume everyone else got the email from, I think,

57

00:06:59.910 --> 00:07:02.820

spyros: I think Tim sent it to Joseph Joe did you send her Tim

58

00:07:03.570 --> 00:07:05.100

Lloyd L. Peck, Ed.D.: Tim said to me, I sent you guys

59

00:07:05.310 --> 00:07:10.230

spyros: Okay, where, where it talked about what you know what these groups do with everything.

60

00:07:11.610 --> 00:07:13.920

spyros: I mean, okay. Mike speaking for myself.

61

00:07:15.150 --> 00:07:20.160

spyros: The seniors are going to graduate. Other than that, I don't know what's going to happen this year.

62

00:07:22.710 --> 00:07:24.210

spyros: I don't know what everybody else thinks

63

00:07:28.290 --> 00:07:33.870

spyros: And I don't. I know a lot of what they do is fundraising. I don't know what fundraising its gonna look like this year.

64

00:07:35.940 --> 00:07:36.510

It's

65

00:07:43.710 --> 00:07:45.690

Mary Collins: I guess that's a good reason to table up

66

00:07:47.370 --> 00:07:49.320

Mary Collins: There's too many unanswered questions.

67

00:07:51.150 --> 00:07:52.860

Mary Collins: And be able to discuss it.

68

00:07:54.150 --> 00:07:55.770

Mary Collins: After we have all the information

69

00:07:57.690 --> 00:08:01.890

Lynn Lockwood: Yeah. Is there a reason we didn't have dollar amounts, like what the stipend is actually our

70

00:08:02.850 --> 00:08:09.330

Lloyd L. Peck, Ed.D.: Process. So working on that with a Union because before we have, we're doing a different with the contract based on how much work you do.

71

00:08:10.020 --> 00:08:19.920

Lloyd L. Peck, Ed.D.: obviously been Colby hit in March, that kind of window. So I did send us an email, I'll be working on leaves for Canada with the Union, and that's why there's not \$1 amounts whether tonight.

72

00:08:22.710 --> 00:08:25.800

Mike Vavra: There is a few on here, though, we probably shouldn't I mean vote on. I mean,

73

00:08:26.310 --> 00:08:32.940

Mike Vavra: Yeah, we don't have the numbers on them. But there's a couple here that probably should get going on the right, right. I've been started right now, especially senior class and

74

00:08:33.450 --> 00:08:44.070

Mike Vavra: National Honor Society, they get us are tracking hours and stuff. So I'm not sure if we vote on a few where we table the whole thing again, but there's definitely a few on here that shouldn't get action taken immediately.

75

00:08:47.400 --> 00:08:47.820

Amy O'Brien: Okay.

76

00:09:00.270 --> 00:09:05.100

Amy O'Brien: So we see you're saying we should pull some out right now.

77

00:09:07.830 --> 00:09:09.900

Mike Vavra: I don't know, like I said, I think there's definitely a few that

78

00:09:10.020 --> 00:09:19.710

Mike Vavra: Should get going now and approve, but, you know, maybe that's something we can talk about executive quick and come back and public and you know vote on it, but I think something should be done tonight for a few of these.

79

00:09:22.860 --> 00:09:23.910

spyros: I agree with them.

80

00:09:26.100 --> 00:09:30.000

spyros: I just don't know if it would really be I mean the stuff

81

00:09:31.050 --> 00:09:34.860

Amy O'Brien: I don't think it's executive unless we're talking about specific people

82

00:09:37.530 --> 00:09:39.150

Amy O'Brien: Or legal on here is I'm

83

00:09:40.530 --> 00:09:40.890

Amy O'Brien: Here.

84

00:09:43.680 --> 00:09:46.230

spyros: I mean, here's the thing that people are right there anyway.

85

00:09:46.440 --> 00:09:57.390

spyros: But yeah, this was talking about specific clubs, we're talking about specific people and of course the discussion is what's more important. Yeah, I think, yeah, you could make the arguments executive I think Mike's right

86

00:10:01.590 --> 00:10:04.350

Erin McMullen: Come on a table this motion and go into executive

87

00:10:06.300 --> 00:10:07.470

spyros: I think so. What do you

88

00:10:07.890 --> 00:10:08.340

Mike Vavra: Have to

89

00:10:10.410 --> 00:10:13.740

Mike Vavra: Agree on all of them right now that we need to go and executive and figure this out quick

90

00:10:14.700 --> 00:10:15.690

Amy O'Brien: Okay, so

91

00:10:15.810 --> 00:10:21.660

Amy O'Brien: Any yeah I'm sure you guys have. Okay, I'll just that in a second. Alright, so, um,

92

00:10:22.230 --> 00:10:23.160

spyros: You didn't emotion two to

93

00:10:23.760 --> 00:10:28.710

Amy O'Brien: 4.3 yes emotion to table it

94

00:10:29.070 --> 00:10:30.510

Motion. Thank you.

95

00:10:32.010 --> 00:10:32.820

Amy O'Brien: May have a second

96

00:10:33.030 --> 00:10:36.840

Amy O'Brien: Second. Thank you, Mike. Any further discussion.

97

00:10:38.160 --> 00:10:39.090

Amy O'Brien: Okay, roll call.

98

00:10:39.690 --> 00:10:40.590

Erin McMullen:

Amy O'Brien-aye

Lynn Lockwood-aye

Spyros Dimatos-aye

Mike Vavra-aye

Mary Collins-aye

105

00:10:51.120 --> 00:11:03.660

Amy O'Brien: Version past. Okay. So I guess the first time for everything and human air with me here. Um, I completely skipped over the whole first half of the agenda.

106

00:11:04.560 --> 00:11:18.360

Amy O'Brien: Because my papers are screwed up. I couldn't find my stapler. And I print everything out and it's all order and I just kept on going. So we just did 4.3 we're going to go all the way back to the beginning where we're supposed to be.

107

00:11:18.630 --> 00:11:21.540

spyros: And you finish the section for that way.

108

00:11:22.170 --> 00:11:22.620

Amy O'Brien: Okay.

109

00:11:22.680 --> 00:11:24.840

Amy O'Brien: I am so sorry you guys and

110

00:11:25.140 --> 00:11:28.410

Lynn Lockwood: I thought I missed something before I got on. I was so confused.

111

00:11:28.470 --> 00:11:30.480

spyros: I were doing it out for different reasons.

112

00:11:30.780 --> 00:11:32.400

Erin McMullen: You know, I did you

113

00:11:33.540 --> 00:11:36.150

Amy O'Brien: Color is I don't know where everything's at all. Yeah.

114

00:11:36.780 --> 00:11:39.750

Amy O'Brien: And I'm just robotically going through it. So, okay, we will

115

00:11:40.890 --> 00:11:46.920

Lynn Lockwood: Do we pause for one second, though, because I love my agenda downstairs and my family's responding me to bring it to me.

116

00:11:47.850 --> 00:11:48.480

Lynn Lockwood: I'll be right back.

117

00:11:48.990 --> 00:11:49.440

Okay.

118

00:11:50.850 --> 00:11:57.450

Lloyd L. Peck, Ed.D.: I was just staring at Jamie, you couldn't. I didn't know if I missed something or you guys just gonna stop wars or

119

00:11:59.520 --> 00:12:12.750

Amy O'Brien: Me. It's like I'm going through each line item, but it's not registering that I completely skipped over because of the way I have things printed out and not stapled. So yeah, I apologize.

120

00:12:13.350 --> 00:12:14.550

Mary Collins: You could have gotten away with

121

00:12:15.450 --> 00:12:15.720

Mary Collins: It was

122

00:12:15.750 --> 00:12:16.980

Mary Collins: Going to say anything to

123

00:12:16.980 --> 00:12:17.580

Lloyd L. Peck, Ed.D.: Come on.

124

00:12:18.300 --> 00:12:33.450

Amy O'Brien: My focus on my phone just finished updating, thank God, because I get a text from Aaron and she says, like you skipped all the reports, why are you going out of order. I'm like, oh my gosh. And then I looked at my paper realized I never yeah

125

00:12:34.890 --> 00:12:36.750

Amy O'Brien: Anyways, sorry.

126

00:12:39.930 --> 00:12:40.320

Lynn Lockwood: I'm right.

127

00:12:40.380 --> 00:12:45.720

Lloyd L. Peck, Ed.D.: I look, I just thought, Amy, that the board came up with a different plan and they were starting the forest. I was going with

128

00:12:45.720 --> 00:12:57.210

Amy O'Brien: Oh, no, no. It's just me being goofy, so yes. Okay. So listen, are you back. She's back. So we are going to continue on through all for

129

00:12:59.400 --> 00:12:59.970

Amy O'Brien: Everything all

130

00:13:02.550 --> 00:13:18.090

Amy O'Brien: Right. All right. Yes, we're going to just continue on and then we'll go back to the reports again okay 4.4 upon recommendation of the superintendent emotion to appoint Kathleen quaranta steam Academy career technical education coordinator with a stipend for the

Amy O'Brien: Thank you, like discussion.

134

00:13:29.790 --> 00:13:40.500

Lloyd L. Peck, Ed.D.: You have to this when you go into executive session for the stipends on the extracurricular you also have to discuss, as you see, there's no amount there as well so that needs to be discussing thinking of

135

00:13:42.900 --> 00:13:43.290

Amy O'Brien: Okay.

136

00:13:43.560 --> 00:13:46.080

Lynn Lockwood: This one. So how can we approve it. If we don't have an amount

137

00:13:46.110 --> 00:13:47.640

Lloyd L. Peck, Ed.D.: We can't. Yeah, I would.

138

00:13:47.670 --> 00:13:54.120

Amy O'Brien: I would table yeah okay um emotion to table for a point for

Erin McMullen: Erin McMullen:

Amy O'Brien-aye

Lynn Lockwood-aye

Spyros Dimatos-aye

Mike Vavra-aye

Mary Collins-aye

206

00:17:25.830 --> 00:17:35.100

Amy O'Brien: I motion passed. Okay, thank you very much for your patience. We are going to go back to to one for this 2.1 for the superintendent's report.

207

00:17:39.300 --> 00:17:41.070

Lloyd L. Peck, Ed.D.: You want the public comment before that.

208

00:17:41.370 --> 00:17:42.120

Amy O'Brien: Oh my goodness.

209

00:17:47.670 --> 00:17:49.800

Amy O'Brien: Yes, I do. Thank you.

210

00:17:51.270 --> 00:17:53.220

Amy O'Brien: Yeah, Eric 1.3

211

00:17:58.260 --> 00:18:04.170

Erin McMullen: Public wishing to speak to the Board of Education will be allowed this period of time to do so under the following guidelines.

212

00:18:04.590 --> 00:18:16.470

Erin McMullen: Speakers will be limited to a maximum of three minutes and the entire public comment session to a maximum of 30 minutes speakers are requested to raise their hand when they're called on state their name.

213

00:18:19.860 --> 00:18:25.410

Erin McMullen: And speakers will not be allowed to personally attack any board member administrator or any of the public president

214

00:18:25.920 --> 00:18:33.150

Erin McMullen: Also no comments by the speakers will be permitted that deal with executive session subjects such as individual personnel matters.

215

00:18:33.450 --> 00:18:46.650

Erin McMullen: Discipline issues pertaining to specific individuals, including students and speakers will not be allowed to read letters will go in order of hands that are raised and we'll try to get through everybody once before we give somebody else a second chance to speak.

216

00:18:47.400 --> 00:18:57.450

Amy O'Brien: Okay. Just one moment before we call him the first person I'm speaking to the board and the superintendent, how are we going to navigate. There's been some

217

00:18:58.140 --> 00:19:09.330

Amy O'Brien: Questions concerns about how we navigate this portion of the meeting. Will we be listening only responding will be listen and respond at a future meeting. What is our plan just so we

218

00:19:11.700 --> 00:19:12.960

Amy O'Brien: Can all be on the same page.

219

00:19:15.750 --> 00:19:16.410

Amy O'Brien: Anybody

220

00:19:17.250 --> 00:19:29.760

Mike Vavra: Like in the past I think we should listen if we really have specific answers that we can give immediately, then we should, but seems like most of the questions we usually get are we listen. And then, you know, if we can answer them at a later time. You can do that.

221

00:19:30.240 --> 00:19:30.630

Amy O'Brien: Okay.

222

00:19:30.750 --> 00:19:32.610

spyros: Joe, can you say there was a legal issue.

223

00:19:32.640 --> 00:19:35.550

spyros: I isn't that what came up and I'm sorry I've been

224

00:19:35.850 --> 00:19:36.870

spyros: Kind of crazy that I've

225

00:19:36.930 --> 00:19:47.940

Lloyd L. Peck, Ed.D.: Tried to catch up on emails, the legal issue is most boards and is recommended by by legal and and I think you can chime in a little bit too because I know you just went to a school clerk.

226

00:19:50.310 --> 00:19:51.660

Lloyd L. Peck, Ed.D.: Workshop for a couple days.

227

00:19:53.040 --> 00:20:05.460

Lloyd L. Peck, Ed.D.: It's preferred to take the questions and answer them at a later date, just for some reason. When people put on the spot myself the board, Amy, a couple of mistakes and I just just doing the agenda because for papers out of order. Right.

228

00:20:06.840 --> 00:20:15.540

Lloyd L. Peck, Ed.D.: So if I'm asked a question and I or spirit or land or Mary or amen went on an answer that we're kind of on spot.

229

00:20:16.110 --> 00:20:25.740

Lloyd L. Peck, Ed.D.: So we kind of open the district up to liability if we answering correctly or as if we're asked a question, we can set back answer it intelligently through an email or phone call.

230

00:20:26.190 --> 00:20:30.240

Lloyd L. Peck, Ed.D.: That we have actually time to think and I can I answer a lot of questions and open session.

231

00:20:30.630 --> 00:20:37.080

Lloyd L. Peck, Ed.D.: Later, go back and think, wow, for right time to think about that I could give a much better answer than I gave an open session off the top my head.

232

00:20:37.590 --> 00:20:48.570

Lloyd L. Peck, Ed.D.: So that, that's, again, I won't dodge a question Aaron's recording this. We'll go back, we'll get to questions. We'll get who asked it. We have emails and phone numbers and we'll take care of it.

233

00:20:48.990 --> 00:20:52.830

Lloyd L. Peck, Ed.D.: So there's nothing to be dodged it's just I think it's more protected for the district and

234

00:20:53.250 --> 00:21:05.280

Lloyd L. Peck, Ed.D.: As taxpayers. I don't think the taxpayers want to be liable if something happens, a board meeting, and the district ends up getting sued for it. So I personally think it's safe for for all involved, including the people asking the questions and protectors.

235

00:21:06.330 --> 00:21:08.280

Amy O'Brien: So even simple and straightforward.

236

00:21:08.910 --> 00:21:12.420

Lloyd L. Peck, Ed.D.: I think if they're real simple aim yet. I think we can answer them, but

237

00:21:13.080 --> 00:21:13.830

Lloyd L. Peck, Ed.D.: We're detail that

238

00:21:14.550 --> 00:21:16.890

Lynn Lockwood: I think we have to say no we're not gonna respond to anything.

239

00:21:17.640 --> 00:21:18.660

Lloyd L. Peck, Ed.D.: Okay, I did.

240

00:21:18.900 --> 00:21:19.140

This

241

00:21:20.610 --> 00:21:20.940

Lynn Lockwood: Yeah.

242

00:21:21.240 --> 00:21:24.810

Amy O'Brien: all or none. I just want to make sure we're all on the same page because

243

00:21:26.160 --> 00:21:27.030

spyros: We know you're good.

244

00:21:27.720 --> 00:21:32.610

spyros: Okay. So Joe, you're going to answer questions like to people's so when people speak. We know who it is.

245

00:21:32.910 --> 00:21:36.930

spyros: So are you going to answer them after the meeting, or will we wait till the next board meeting.

246

00:21:37.290 --> 00:21:39.510

Lloyd L. Peck, Ed.D.: And the meeting other than I said

247

00:21:40.140 --> 00:21:47.250

Erin McMullen: Okay, one thing is if there are questions or comments made in public, you may want to have those answers on the next board meeting.

248

00:21:47.250 --> 00:21:47.640

Great.

249

00:21:50.670 --> 00:21:52.380

Lloyd L. Peck, Ed.D.: We even just post them right to the web page.

250

00:21:52.710 --> 00:21:54.510

Erin McMullen: We could post it right to the agenda.

251

00:21:55.980 --> 00:21:58.140

Erin McMullen: Or we can add it to the end of the Minutes.

252

00:21:58.770 --> 00:22:00.120

Erin McMullen: Let's see. I think so that everybody can

253

00:22:00.120 --> 00:22:00.780

Erin McMullen: See them all.

254

00:22:00.810 --> 00:22:03.330

Lynn Lockwood: Yeah, I think adding them to the Minutes would be a good

255

00:22:03.900 --> 00:22:06.870

Lynn Lockwood: These are questions that were asked, these are the answers that we're giving

256

00:22:08.250 --> 00:22:09.030

Erin McMullen: Out like that.

257

00:22:09.450 --> 00:22:13.920

Mike Vavra: Even something on the BV page there with questions from board meeting last night. Here's your answers.

258

00:22:14.100 --> 00:22:17.100

Mary Collins: Right. Does that include coven questions.

259

00:22:18.060 --> 00:22:19.920

Erin McMullen: I think every question probably

260

00:22:20.520 --> 00:22:24.690

Amy O'Brien: Okay, so let's back up. One moment. So where's the location going to be

261

00:22:27.030 --> 00:22:31.800

Amy O'Brien: Joe and mostly asking you, only because I think, you know, more, more most appropriately where it should be.

262

00:22:32.310 --> 00:22:46.350

Lloyd L. Peck, Ed.D.: Who we can put them right on the minutes in the agenda if that's okay. Or I can put another link on the board page saying VOA questions Q AMP. A AND PUT THE BILL EVERY DAY. I can do. And you know what, let me put it in both places, then people will have to hunt and peck and find them.

263

00:22:46.680 --> 00:22:52.860

Amy O'Brien: Okay, thank you. And we can have those questions posted. I'm sorry answers posted within 24 hours.

264

00:22:53.220 --> 00:22:54.990

Lloyd L. Peck, Ed.D.: I will try Friday.

265

00:22:55.470 --> 00:22:59.460

Lloyd L. Peck, Ed.D.: Okay, where the Monday, because Friday after board meeting is always anyone who

266

00:23:00.690 --> 00:23:05.910

Lloyd L. Peck, Ed.D.: Knows the Friday after boring means my tactic day of the month, because I'm trying to catch up on everything from that board meeting.

267

00:23:06.210 --> 00:23:10.080

Erin McMullen: Yeah, they wouldn't be in the minutes in the next 24 hours, though.

268

00:23:11.850 --> 00:23:12.180

Lloyd L. Peck, Ed.D.: Okay.

269

00:23:12.210 --> 00:23:16.620

Amy O'Brien: Okay, so let's shoot for the Monday, following the board meeting.

270

00:23:20.130 --> 00:23:21.660

Lloyd L. Peck, Ed.D.: I should not have done that. Oh.

271

00:23:21.810 --> 00:23:22.500

Amy O'Brien: Is that okay

272

00:23:23.970 --> 00:23:24.210

spyros: That

273

00:23:25.170 --> 00:23:26.730

Lynn Lockwood: Sounds good to me. Okay.

274

00:23:26.820 --> 00:23:29.340

Amy O'Brien: I mean, that gives time to it.

275

00:23:30.510 --> 00:23:40.530

Erin McMullen: Does it just usually with the minutes it takes a few days to go through all of the notes and the emotions, so I can't guarantee

276

00:23:40.860 --> 00:23:43.320

Amy O'Brien: What you're saying, Aaron. No, I absolutely yeah

277

00:23:43.380 --> 00:23:48.300

Amy O'Brien: No, it can't be with the minutes It'll have to be its own entity somewhere. Yeah.

278

00:23:48.330 --> 00:24:02.430

Lloyd L. Peck, Ed.D.: You know, and the answer is October 820 20 yeah and we'll try to get them up tomorrow and Monday at the latest, but hopefully we can come up to more depending if I get three questions or if I have three questions they'll be up tomorrow if I have 14 questions and

279

00:24:04.590 --> 00:24:05.190

Lloyd L. Peck, Ed.D.: Questions.

280

00:24:06.240 --> 00:24:06.870

Amy O'Brien: Fair enough.

281

00:24:07.410 --> 00:24:07.830

Lynn Lockwood: And then we

282

00:24:08.640 --> 00:24:13.080

Lynn Lockwood: When the minutes are ready we can add them to the minutes just filler kept with

283

00:24:14.010 --> 00:24:14.970

Amy O'Brien: Them in both places.

284

00:24:15.030 --> 00:24:18.990

Erin McMullen: Will be part of the meeting. Anyway, so the question is I can add into the Minutes.

285

00:24:21.390 --> 00:24:25.650

Lloyd L. Peck, Ed.D.: Okay, good. Here we just take the questions down as they come in for me.

286

00:24:29.550 --> 00:24:30.690

Amy O'Brien: Okay, I'm

287

00:24:33.870 --> 00:24:34.710

Amy O'Brien: Christine web

288

00:24:39.570 --> 00:24:45.540

Christine Webb: Hi, Christine Web has she's mentioned, I just have a quick question about the psychological exam that

289

00:24:46.440 --> 00:25:00.240

Christine Webb: The doesn't me as a medical doctor for medical inspector for the purpose of the psychological I would love to know in what capacity that a superintendent would require that as educators, under what reasoning and who's paying for that psychological

290

00:25:01.470 --> 00:25:02.700

Christine Webb: As well as

291

00:25:03.930 --> 00:25:14.190

Christine Webb: If this is a something that the teachers are required to do based on your Designated. Designated thought and pursuance. Thank you.

292

00:25:17.460 --> 00:25:20.220

Amy O'Brien: Thank you. Next we have Mandy black

293

00:25:27.900 --> 00:25:34.470

Mandy Black: Thank you again for all that you do and I appreciate that this is a difficult time. I just wanted to comment.

294

00:25:34.920 --> 00:25:41.880

Mandy Black: On that when you're an executive session discussing the different clubs. Please realize that the yearbook club has been working

295

00:25:42.270 --> 00:25:53.580

Mandy Black: All the senior photos have been turned in. And I'm trying to figure out what to do with those. And it is a something that has to get done quickly and early in order to be able to publish your book in time.

296

00:25:54.690 --> 00:25:55.170

Mandy Black: Thank you.

297

00:25:56.760 --> 00:25:59.760

Lloyd L. Peck, Ed.D.: So much statement than a question. Then correct or not.

298

00:25:59.820 --> 00:26:01.050

Mandy Black: Correct, yeah.

299

00:26:03.990 --> 00:26:05.910

Amy O'Brien: Thank you. Next is Andrea Gumble.

300

00:26:09.450 --> 00:26:16.230

Andrea Gumble: Hi there, I have a statement as well. I'm speaking, both as a teacher in the district and as a parent of a senior

301

00:26:16.710 --> 00:26:29.970

Andrea Gumble: I agree. I just just fuel and maybe insider information from both ends that like Mandy with the yearbook, the senior pictures as Senior Advisor has been working already handed out cap and gown information.

302

00:26:31.170 --> 00:26:37.290

Andrea Gumble: I know the cost of steam is not on there and I appreciate. By the way, the board members that responded to me that meant a lot

303

00:26:38.790 --> 00:26:48.810

Andrea Gumble: So, whatever the cost is our kids don't have internships. We don't have an internship program without steam and so the urgency of getting the kids the seniors out is imperative.

304

00:26:49.260 --> 00:27:03.630

Andrea Gumble: And just with the added extra stress and craziness of teaching this year that my colleagues that have done amazing work already. And really never stopped. They just agree the urgency is there as a senior parents have a senior

305

00:27:04.860 --> 00:27:10.530

Andrea Gumble: I know that any of those advisor ships are things that we should really consider quickly.

306

00:27:11.070 --> 00:27:17.730

Andrea Gumble: And as far as, you know, helping out. There's a lot of people helping out some code advisor ships, I agree with spirits completely

307

00:27:18.000 --> 00:27:32.940

Andrea Gumble: Perhaps you know there's enough support in our district to help each other, but those people that have been working tirelessly and on top of a hectic schedule. I just urge you to really consider, you know, dealing with that tonight. Thank you.

308

00:27:35.760 --> 00:27:36.480

Amy O'Brien: Thank you.

309

00:27:39.180 --> 00:27:39.870

Amy O'Brien: Okay.

310

00:27:42.030 --> 00:27:45.750

Amy O'Brien: Andrew your help. There you go. Do we have anyone else wishing to speak.

311

00:27:51.540 --> 00:27:54.300

Amy O'Brien: Okay, this will conclude public comment.

312

00:27:55.980 --> 00:27:59.160

Amy O'Brien: And we will now go on to 2.1 superintendent report.

313

00:28:01.020 --> 00:28:01.470

Lloyd L. Peck, Ed.D.: A man.

314

00:28:01.770 --> 00:28:07.320

Lloyd L. Peck, Ed.D.: One thing just a presentation on the audit and I believe that was Mr. Cleveland.

315

00:28:09.390 --> 00:28:10.080

Lloyd L. Peck, Ed.D.: That's all I have.

316

00:28:15.660 --> 00:28:24.870

Evan Cleveland: Hello, everyone. Thank you for having me here tonight. I'm the audit manager in charge of overseeing field work and eventually getting the report.

317

00:28:25.680 --> 00:28:32.370

Evan Cleveland: Out to you guys in time to meet the state deadlines. So I'm going to touch on a few things about the otter report.

318

00:28:33.000 --> 00:28:45.300

Evan Cleveland: We're issuing an unmodified opinion on the school districts financial statements and supplementary information so that is otherwise known as a clean opinion or the best opinion that you can get

319

00:28:46.530 --> 00:28:52.050

Evan Cleveland: Because the school district or we're also auditing the school districts under government auditing standards.

320

00:28:53.460 --> 00:29:08.850

Evan Cleveland: issuing a report on compliance and internal control or and other matters. Our report identified one instance of non compliance related to the New York City. Real Property Tax Law 1318 over the 4% invitation.

321

00:29:09.900 --> 00:29:14.310

Evan Cleveland: And we identified know into material internal control weaknesses.

322

00:29:15.870 --> 00:29:21.900

Evan Cleveland: Because the school district expended over \$750,000 in federal awards. We are also issuing

323

00:29:24.000 --> 00:29:36.150

Evan Cleveland: Uniform Guidance report. This report identified one instance of non non compliance, which was excess cash resources in the school lunch fund and we have no material internal control. We can sister report.

324

00:29:37.920 --> 00:29:46.980

Evan Cleveland: We're also issuing communication of those charts with governance that conclusion, a lot it with no comments of concern to be reported to the members of the board.

325

00:29:49.050 --> 00:30:03.000

Evan Cleveland: Finally, we are issuing an unmodified opinion on the school districts extra classroom activities and have a management comment letter, along with that, that discusses a few issues related to the covert shutdown.

326

00:30:05.520 --> 00:30:12.000

Evan Cleveland: And that concludes my presentation. If anyone has any questions about the audit or anything.

327

00:30:14.760 --> 00:30:28.080

Lloyd L. Peck, Ed.D.: So just in layman terms we had too much money we were over 4% in in our and we knew that because I told the board that was going to happen. Yeah. OK. So the board knew we were going to our 4% so that's not a bad thing.

328

00:30:28.530 --> 00:30:33.840

Lloyd L. Peck, Ed.D.: No. Okay. Secondly, we have too much money in our lunch fun. So we get dinged off on that.

329

00:30:35.520 --> 00:30:41.280

Lloyd L. Peck, Ed.D.: That's not a bad thing. And then we had some some monies related to call them and we got dinged up on that.

330

00:30:43.260 --> 00:30:44.670

Lloyd L. Peck, Ed.D.: For all the audio is positive.

331

00:30:44.850 --> 00:31:02.250

Evan Cleveland: Yeah, the auto was very positive. We just had to write these up because they are New York State laws and they're not changing them due to the shutdown at all. We have a lot of districts that are over the 4% limitation, just in anticipation of the reductions and CD that are in discussions.

332

00:31:03.990 --> 00:31:15.930

Lloyd L. Peck, Ed.D.: I didn't have any questions on that. I mean, we did everything we should do. But we had three audit checks. Because we carried or too much money into funds in Kovac kicked in and it kind of doing this.

333

00:31:17.070 --> 00:31:24.660

Lloyd L. Peck, Ed.D.: But again, there's still a lot of issues. And again, having I'll speak for you. But that's kind of put in layman terms, a little bit more

334

00:31:24.840 --> 00:31:30.300

Lynn Lockwood: Yes. In what way was the coven. How did it go over the fact that, like, What do you mean

335

00:31:31.260 --> 00:31:36.900

Evan Cleveland: So the shutdown had an effect on the extra question activities which

336

00:31:39.720 --> 00:31:53.460

Evan Cleveland: The school district didn't have policies just change overnight had some issues related to getting students signatures, that's for sure, sir. Going to call the students to come in and in time things and then the shutdown had, I had a

337

00:31:54.750 --> 00:32:02.370

Evan Cleveland: Cause the general fund budget to be understand which was the reason why this little circles over the 4% limit.

338

00:32:09.390 --> 00:32:15.240

Evan Cleveland: But overall, very positive Otter report and big thank you to mark and the force of the CEO.

339

00:32:18.960 --> 00:32:20.310  
Amy O'Brien: Any other questions for Evan.

340  
00:32:23.220 --> 00:32:24.360  
Amy O'Brien: Okay, thank you.

341  
00:32:25.260 --> 00:32:25.590  
Thank you.

342  
00:32:26.700 --> 00:32:27.180  
Lloyd L. Peck, Ed.D.: And, good night.

343  
00:32:27.570 --> 00:32:27.930  
YouTube

344  
00:32:32.340 --> 00:32:39.870  
Amy O'Brien: Hey 2.2 word report and I added this. This is just one item that has come up over

345  
00:32:40.950 --> 00:32:44.280  
Amy O'Brien: Our new normal of hybrid and it's

346  
00:32:45.780 --> 00:32:53.790  
Amy O'Brien: A guess a lot of policies right word or procedure for teacher and caregiver exchange of, you know, communication exchange.

347  
00:32:55.380 --> 00:33:07.260  
Amy O'Brien: An example I have a child that goes that attends a hybrid Learning Center. And if there's any questions if his caregiver has any questions.

348  
00:33:07.650 --> 00:33:21.150  
Amy O'Brien: She's unable to ask the teacher directly. She has to go through me as the parent and I wanted to know what options we have to address this because I'm quite certain I'm not the only parent

349  
00:33:22.260 --> 00:33:33.450

Amy O'Brien: Experiencing this and also that things are going to come up. I'm sure as we adjust to this new normal. So what can we do to make this more efficient.

350

00:33:36.240 --> 00:33:41.100

Lloyd L. Peck, Ed.D.: Your plate, you're not the only me sure I'm not muted, you're not the only parent

351

00:33:42.270 --> 00:33:49.710

Lloyd L. Peck, Ed.D.: That has concerned with elementary through through 12th grade, obviously, that the problem is, on behalf of the school.

352

00:33:50.220 --> 00:34:00.690

Lloyd L. Peck, Ed.D.: It's a very sensitive issue for us giving information out for other other people, students, and there's a line there, that if you say hey you know what Mr. So and so, or Mr. Sounds like you can do that.

353

00:34:01.260 --> 00:34:06.870

Lloyd L. Peck, Ed.D.: And then we do that and we give out a piece of information that you don't want given out that you can come back on track.

354

00:34:07.470 --> 00:34:15.300

Lloyd L. Peck, Ed.D.: So I understand and with the hybrid and the remote and the daycare, I understand, Okay, I'm not saying don't understand

355

00:34:16.200 --> 00:34:23.460

Lloyd L. Peck, Ed.D.: I think we went to school in a very precarious situation if we were starting to be allowed to communicate with everybody that that

356

00:34:24.150 --> 00:34:32.070

Lloyd L. Peck, Ed.D.: had something to do that child during the course of the day. So that's why we have the parental contract or guardian in old tool. And then our emergency contacts, but we

357

00:34:32.070 --> 00:34:32.460

Lloyd L. Peck, Ed.D.: Really

358

00:34:32.820 --> 00:34:38.640

Lloyd L. Peck, Ed.D.: Have to emergency contacts only emergency. So you would literally have to go and take us through our legal

359

00:34:39.150 --> 00:34:48.750

Amy O'Brien: They would have it, didn't we do that didn't we've discussed this will be the last meeting and they said we could come up with some type of disclosure or something. Yeah.

360

00:34:54.690 --> 00:35:02.790

spyros: Ultimately be some sort of power of attorney. I mean, to cover the school and to cover the parent. I mean, because the parent is basically signing over privacy rights.

361

00:35:03.990 --> 00:35:04.470

spyros: So,

362

00:35:05.610 --> 00:35:15.210

Amy O'Brien: I'm just talking educationally related. Like, for example, hi, Mrs. So, and so my password to I ready is not working. Something you know simple things.

363

00:35:15.660 --> 00:35:15.990

Right.

364

00:35:17.130 --> 00:35:19.740

Lloyd L. Peck, Ed.D.: girl says, right, there's, there's the perfect freedom.

365

00:35:21.930 --> 00:35:25.440

Lloyd L. Peck, Ed.D.: And the, you know, free access to public education for

366

00:35:28.380 --> 00:35:28.620

spyros: For

367

00:35:28.650 --> 00:35:33.660

Lloyd L. Peck, Ed.D.: Yeah, I know what it stands for home and it was going back into questions I've taught you had enough time to think.

368

00:35:36.690 --> 00:35:44.670

Amy O'Brien: very accessible parent, but there's parents that are so accessible. And this is a disservice to the kids if if

369

00:35:46.080 --> 00:35:47.190

Amy O'Brien: This doesn't make sense to me.

370

00:35:48.270 --> 00:35:58.950

Amy O'Brien: It's not an issue for me again. I'm accessible his provider can contact me I contact the teacher, but this is already very difficult for parents to begin with. And we're going to just

371

00:36:00.750 --> 00:36:04.740

Amy O'Brien: There's gotta be a way around it. There has to be a way around it.

372

00:36:05.400 --> 00:36:18.630

Lloyd L. Peck, Ed.D.: It's the Family Educational Rights and Privacy Act and what it does. And again, forgive me to think I can give you better answers. What a nice who protects every child in the school district all 1400 of them.

373

00:36:19.950 --> 00:36:22.440

Lloyd L. Peck, Ed.D.: giving out information to people. It doesn't belong can

374

00:36:23.700 --> 00:36:27.840

Lloyd L. Peck, Ed.D.: Have to work now you the district would have to work with, with our legal to come up with the form

375

00:36:28.500 --> 00:36:35.490

Lloyd L. Peck, Ed.D.: It prepared with sign off waving forgot which first I don't that's legal or not because I don't know if you can wave wave that act.

376

00:36:36.030 --> 00:36:50.130

Lloyd L. Peck, Ed.D.: And secondly, if we did that burden you would put on the admin team and the teachers would be incredible because I'm looking at Mike and Mary to football a current and former teacher, every time you talk to someone on the phone.

377

00:36:51.720 --> 00:36:59.400

Lloyd L. Peck, Ed.D.: What you can tell that person based what you had in your book to tell that person is inserted with that too convoluted.

378

00:37:00.720 --> 00:37:15.090

Lloyd L. Peck, Ed.D.: 20 kids are responsible for now each kid has eight different contacts, it would make it a living nightmare, I believe, on our staff. If we had to do that. I just, and again, I'm looking at Marion, Mike. The most because you're both elementary teachers.

379

00:37:16.260 --> 00:37:18.960

Lloyd L. Peck, Ed.D.: You know, you know who to call. You know who to email you know who to talk to,

380

00:37:19.350 --> 00:37:31.170

Amy O'Brien: Okay, so kind of child because there's a lot of communication back and forth with the teacher and the child through the iPads and the various technology can the child, say, you know, I need this.

381

00:37:32.550 --> 00:37:33.840

Amy O'Brien: Anything.

382

00:37:34.020 --> 00:37:37.110

Lloyd L. Peck, Ed.D.: Is a pair me want to give up if you've got your password.

383

00:37:37.350 --> 00:37:43.050

Amy O'Brien: Saying, if my son, if my kid is on one of those programs, whatever that is, whether it's regular

384

00:37:44.580 --> 00:37:54.840

Amy O'Brien: submission of information to the teacher can the child say I can't find my already password. Can you help me with my I already password and the child do now.

385

00:37:57.840 --> 00:37:58.230

Lloyd L. Peck, Ed.D.: Is

386

00:38:00.810 --> 00:38:07.440

Lloyd L. Peck, Ed.D.: Let's, let's kind of loaded question because he is the caregiver standing off to the side of the computer listening. I mean,

387

00:38:08.790 --> 00:38:20.610

Lloyd L. Peck, Ed.D.: Again, when our teachers are teaching I'm under the impression. Our teachers are believing and Mike helped me because I know you're an SD but is it your anticipation of the parents are in the classroom with the kids, when you're teaching

388

00:38:21.180 --> 00:38:28.920

Mike Vavra: Now when I have my remote kid. It's just him on there and, you know, parents aren't there. And the answer your question, but I mean,

389

00:38:29.370 --> 00:38:38.430

Mike Vavra: My one remote kid at home when he has he had an issue. The other day trying to get a movie Max and I just, he just sent me an email or I think was something on seesaw. I just emailed them back like here's your password.

390

00:38:38.910 --> 00:38:46.950

Amy O'Brien: Okay. Thank you, Mike. That's all I'm asking is can the child initiate, you know, these kids, even the little ones are tech savvy.

391

00:38:50.010 --> 00:38:54.510

Amy O'Brien: OK, so the kid can reach out to the teacher. Okay.

392

00:38:55.620 --> 00:38:56.550

Amy O'Brien: Now, that's all.

393

00:39:06.570 --> 00:39:07.410

Lloyd L. Peck, Ed.D.: You muted me

394

00:39:08.100 --> 00:39:11.190

Amy O'Brien: Any other board member have anything. Okay.

395

00:39:12.330 --> 00:39:16.020

Amy O'Brien: All right, is there anything else I have missed before we

396

00:39:17.430 --> 00:39:18.780

Amy O'Brien: Go into executive

397

00:39:22.680 --> 00:39:23.760

No. Okay.

398

00:39:25.290 --> 00:39:25.650

Amy O'Brien: All right.

399

00:39:26.850 --> 00:39:27.900
