

Map Activity: Arab-Israeli Conflict

20 pts.

(901)

Name: _____

1. Label the following on your map:

Egypt	Sinai Peninsula	Israel
Jordan	Syria	Lebanon
West Bank	Gaza Strip	Mediterranean Sea
Golan Heights		Saudi Arabia

2. Use different colors to complete the following tasks:

- Israel in 1949
- Arab territory occupied by Israel after the 1967 war
- Area which Israel had withdrawn as of May 1982
- Areas of limited self-rule in 1994

3. Create a key in the blank box.

4. Which of the following statements are supported by the map? If the statement is correct, indicate by placing a "C" after the statement. If the statement is incorrect, then correct the incorrect statements:

- The border between Israel and Jordan is marked in part by the Jordan River.
- The Golan Heights was part of Syria before 1967.
- Israel withdrew from the West Bank in 1982.
- The Gulf of Aqaba separates Saudi Arabia and the Sinai Peninsula.

5. Which areas are likely to remain points of dispute between Israel and its neighbors? Explain.
