A community where learners excel!

September 20, 2017

Dear Parent/Guardian and Student:

The school year is off to a great start and seventh and eighth grade students are receiving their iPads for educational use in our classrooms.

I would like to take this opportunity to inform you of an amendment to the iPad user agreement that we sent out with students last week, in terms of replacement costs associated with the iPad. The replacement cost will be depreciated by \$100 per year based on the age of the iPad.

- The replacement cost for a brand new iPad is \$379
- The replacement cost for an iPad that is 1-year old is \$279
- The replacement cost for an iPad that is 2-years old is \$179
- The replacement cost for an iPad that is 3-years old is \$79
- Glass repair will remain the same at \$50.00

If you have any questions, please feel free to contact the main office.

Sincerely,

Andrew Rullo
Middle School Principal
